REQUEST FOR EXPEDITED CORRECTED ACTION AND COPY OF REFERENCECommissioner for Patents
POB 1450
Alexandria, Virginia 22313-1450

11 August 2003

Sir:

A non-final Office Action was mailed in connection with the above-identified application on 11 July 2003. Applicant respectfully submits that the 11 July Action is defective and requests EXPEDITED correction as follows.

At Item 4 on page 3 of the 11 July Action, a reference identified as "Ogawa Jiro (JP 59-122350)" is applied in a rejection under 35 USC §103 of Claims 103, 104 and 107-111. No prior citation of JP 59-122350 has been made in the present application, either by Applicant in the specification or in an Information Disclosure Statement (IDS) (including the IDS filed to submit all information cited in all prior applications upon which benefit under §120 is claimed in the present case) or by the Office in Form PTO-892, so Applicant respectfully presumes that the reference is newly-cited in the 11 July Action. However, no Form PTO-892 was attached to the 11 July Action, and no copy of JP 59-122350 was provided.

OFFICIAL 2003

TANI et al., Serial No. 09/845,838

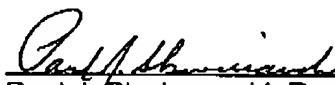

Docket No. 500.31754CX2

Therefore, Applicant respectfully submits that the 11 July Action is defective, and courteously requests a Form PTO-892 containing the listing of JP 59-122350 as well as a copy of the reference be supplied.

Further, in view of the multiple Office delays in processing papers during the prosecution of this application, Applicant respectfully requests EXPEDITED correction and mailing of a replacement Action and reference.

This Request is timely filed within one (1) month so the mailing date of the 11 July Action. No Petition or fee is required or possible for entry of this paper.

Respectfully submitted,
